ACADEMIC EXCELLENCE

NEW THIS SEASON!! We want to reward those students that are excelling in school, while still committed to their dance training. We have always stressed the importance of school and maintaining ones grades. We will be recognizing students with a 3.3 (B+ average) or higher at our 2024 Spring Dance Gala. Homeschooled dancers are also welcome to submit. We understand that you may have a different scale, but we have ways to fit you into the 4.0 GPA system.
